

2019 CARE AWARDS OF VANCOUVER ISLAND

The Victoria Residential Builders Association extends an invitation to enter the 2019 CARE Awards celebrating Canada's leaders in sustainable West Coast design and construction.

The CARE Awards (Construction Achievements and Renovations of Excellence) recognize the winning efforts of Vancouver Island's professional builders, renovators, developers, architects, designers, interior designers, trades, and marketing professionals.

Entries will be judged by an impartial panel of industry experts, selected for experience in their respective fields.

ENTRY DEADLINE

Monday, June 17, 2019 @ 4:00 pm

CALL FOR ENTRY GUIDELINES

Please read the entire Call for Entry Guidelines. Entrants must agree to all terms and conditions.

For your convenience, VRBA has a list of professional photographers and writers familiar with the entry guidelines to prepare entries for our members. Visit www.vrba.ca.

CARE AWARDS ENTRY FEE

Cost:

All categories **except** Project of the year:

- \$275 (+GST) for each **PROJECT - *Your project can be entered into multiple categories, except Project of the Year, for one fee!***
- \$275 (+GST) to enter **Project of the Year** category.

Entrants must be a member of VRBA, in good standing.

Non-member entrants must apply for membership in the Victoria Residential Builders Association by June 1, 2019, and be approved for membership prior to the Finalist Announcement in July.

ELIGIBLE ENTRIES

- CARE Awards applicants must be a member in good standing of Victoria Residential Builders Association.
- CARE Awards Applicants that have been refused membership in VRBA are ineligible to enter the CARE Awards.
- **Only new submissions, not previously entered in other residential awards programs on Vancouver Island and region are eligible.** For more details, contact CARE Awards Manager Debra Dahlgren admin@vrba.ca
- Projects and products built, renovated, developed, created and/or marketed for the period of May 1, 2017 - June 16, 2019 are eligible for the 2019 CARE Awards. A building permit must be in place for any pre-sale marketing.
- Occupancy Permit dated May 1, 2017 - June 16, 2019.
- All submissions will be judged upon strict adherence to entry guidelines.
- **NO SITE VISITS WILL BE MADE.**
- Any project winning Silver or Gold in a specific category from the previous year is not eligible to enter this year's competition **in that category**. The exceptions are the Customer Service and Green Builder of the Year categories.

- Projects entered in one year may not be entered in subsequent years in other categories.
 - Eg Year 1 - kitchen; year 2 - best interior
- All projects must be on Vancouver Island, the Gulf Islands or the Sunshine Coast.
- Associate entrants may order silver/gold certificates and trophies following the event.
- All entries become property of the Victoria Residential Builders Association. VRBA reserves the right to use any or all materials for promotion of the CARE Awards of Vancouver Island. Due to the volume of entry material, VRBA is unable to return any of the materials submitted. We recommend that you keep a copy of submitted materials.

DEADLINE

Complete entry submissions must be delivered to the Victoria Residential Builders Association office no later than **4:00 pm on Monday, June 17, 2019.**

NOTE: The on-line entry form closes at noon on Monday, June 17, 2019. All remaining entry requirements, including fees, must be received no later than 4:00 pm, Monday, June 17, 2019. After completing the on-line entry form, send or deliver the remaining entry requirements to the VRBA office. **THERE WILL BE NO EXTENSIONS.**

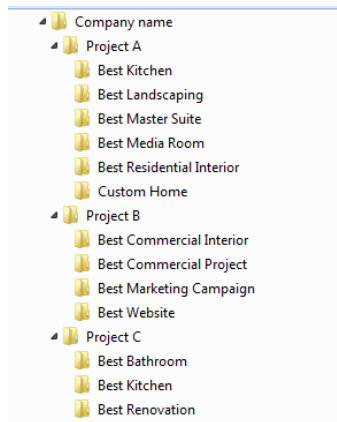

AWARDS BANQUET

The Gold CARE Awards will be presented at the Fairmont Empress Hotel. Date to be confirmed.

ENTRY PREPARATION

1. General Submission Requirements

- Each entry must include a completed Entry Form, Project Statement, and Entry fee.
- Depending on the category, the entry should also include: a CD, DVD or USB flash drive with digital photos, colour photo print(s), floor plans, brochures, etc. that support the entry. Please note: If you are entering a project in more than one category, save all photos and project statements on one CD, DVD or USB flash drive. Each project and category must be contained within its own folder on the CD, DVD or USB flash drive and named appropriately.
- Folder structure for cd or usb:

- Use your project names in place of “Project A”, etc.
- Do not include any subfolders within the category folders. All photos, floor plans, site plans, project statements within the category folder.

- Please submit one cheque for all entry fees; add GST.
- Be sure to read the entry criteria carefully to ensure that all materials are included with the submission.
- All entries will be judged in the condition they are received.
- Incomplete entries are judged accordingly and may be, under the direction of the judges, discarded due to insufficient information and materials.

- Information will be printed **exactly as submitted** for press releases, certificates and trophies, so be specific and accurate with company name, project name, etc. Do not use clients' name or street name as project name. Project names are published.

Please note: only VRBA member companies will be recognized.

IMPORTANT NOTE: In order to ensure the objectivity of the judging process, please remove all company and individual names and addresses from all submitted materials. Materials that are exceptions to this include brochures, marketing, and other pertinent materials in Categories 8, 9, 10, 30, 31, 32, 33, 34, 35, 36, 37, 38, 43 and 44.

2. Project Statement

- **IMPORTANT: JUDGES SCORE ENTRIES ACCORDING TO THE CRITERIA IDENTIFIED BY BULLETS. Project statements must describe how the project meets these criteria for each category.**
- Project statements **must not exceed** the number of words specified in the requirements.
- Project statements will be read while images are displayed, other materials are reviewed, and judges score the project according to the criteria. Number photos accordingly.
- Bullet form is recommended.
- Include any Built Green, Energuide or Energy Star rating, etc. if applicable in project statement

Go on-line to complete and submit the Entry Form. Entrant will still need to mail or deliver all remaining entry requirements to the VRBA office. Entrants must also save project statement as a text (Word) file **(not PDF)** on a clearly labelled CD, DVD or USB flash drive (same CD, DVD or USB flash drive as photos).

3. Floor and Site Plans

- All floor and site plans must be submitted on 8 ½" x 11" **plain** paper. Do not staple, single-sided only. These may also be saved on the same CD, DVD or USB flash drive.
- Submit **simple marketing** floor plans; one page for each floor of home, if applicable. Floor plans should accurately reflect what is in the photos. For renovations, please include before and after plans. Floor plans for a single room (eg. Kitchen categories - only submit kitchen floor plan).
- Materials (including floor and site plans) must **NOT** contain the entrants' company name or logo, architects' name, or exact street address of the project.
- Square footage of space is defined as finished space to outside wall. (Do not include unfinished basement or attached garage.)

4. Photography Submission Criteria

- All photographs should accurately portray the subject matter as it appears. Photos that have been digitally altered beyond standard optimization (removal of dust, cropping, reasonable adjustments to exposure, perspective distortion, colour and contrast, etc.) will be disqualified.
- **The photographic component of your submission must be in digital form on a CD, DVD or USB flash drive.** If the project is being entered in multiple categories, use the same CD, DVD or USB flash drive with a folder for each category.
- "Before" photos for renovations may be scanned from prints.

DIGITAL IMAGE CRITERIA SPECIFICATIONS

Submit one CD, DVD or USB flash drive with the following specifications:

- Images can be horizontal or vertical.
- Digital images must be submitted as a .jpg file, **1024 pixels on the long side, at 72 pixels per inch** resolution in RGB colour. SRGB colour profile.

- Save the JPG file at its highest quality setting.
- Also Include one hi-resolution (300 dpi) image per entry (category) that may be used for promotional purposes (not for judging).

NAMING FILES

- Create one folder per project, if entering more than one project.
- Within each project folder, create one folder per category (use category name not number) if project is entered in more than one category. Category names may be shortened as long as it is clear. eg. "Custom Home" instead of "Best Single Family Detached Custom Home under 2,000 sq. ft."
- Name the files with project name, category name and sequence number (e.g. hilltop_kitchen_1.jpg).
- **Photos will be displayed to judges in sequence order (order accordingly to match project statement).**
- For Renovation Categories, please add to the sequence number a B to indicate a “before” image, and add an A to indicate an “after” image.
(e.g. hilltop_kitchen_1B.jpg and hilltop_kitchen_1A.jpg).
- Once all relating “before’ and “after” images are finished, continue with the numbering sequence with 3. They may not appear in your folder in the correct order, but they will be prepared for judging in order.
(e.g. hilltop_kitchen_2A.jpg / hilltop_kitchen_3.jpg etc.)
- All images must be anonymous. Do not include people in your images unless required by the category. (This may not apply to "before" images in the renovation categories).
- The hi-resolution image can be named project name_category_hires.jpg
(e.g. hilltop_kitchen_hires.jpg)

OTHER PHOTO REQUIREMENTS

- Please submit one 8”x10” or 7”x10” colour photo printed on photo paper or digitally printed at **300 dpi** as requested by the category requirements (horizontal or vertical).
- If you are entering a renovation category, please submit one 5”x7” “before” **and** one 8”x10” “after” image **from the same angle.**
- Only one printed photo per entry. These non-digital photos are required for our People’s Choice Award contest display and the CARE Awards Gallery at the event.

PLEASE NOTE: Use one CD, DVD or USB flash drive for all entries. Have folders for each project; and category folders within the project folders.

No sub-folders within category folders for floor plans, photos etc.

5. Labeling Entries

- All exhibit material; CD, DVD or USB flash drive, mount board, and audio-visual materials must be clearly labelled with the category name and project name only.

6. Final Submission Details

- A VRBA Builder/Renovator must be primary entrant for categories 1 - 12; 16-19; 30-31; 33; 39*; 42-44. *For residential projects only.
- All exhibit material, not mounted, must be submitted in an envelope, with project name, company name and category name on outside. No staples.
- Builders & Renovators are strongly encouraged to co-enter with VRBA designers involved in the project if applicable.
- VRBA Member Contributors
 - There is a complete member list attached to the entry form. Please check boxes of all VRBA members involved in your project. Consider all suppliers, trades, designers and professionals. This may be used for promotional purposes.
 - **NOTE: Only member companies listed at the beginning of the Entry Form will be recognized in media releases and at the awards.**
 - Only one completed list is necessary for each project (if it is entered in more than one category).
 - **Only new submissions, not previously entered in other residential awards programs on Vancouver Island and region are eligible.** For more details, contact CARE Awards Manager Debra Dahlgren at admin@vrba.ca.
 - Maximum of 3 companies may co-enter.

ENTRY CHECK LIST

____ Visit www.vrba.ca to complete and submit the on-line Entry Form and Project Statement

OR

____ Entry Form

____ Entry Fee (*cash, cheque, Visa, MasterCard or Interac accepted; add GST*)

____ CD, DVD or USB flash drive with Project Statement, saved as a word file, and digital images

(Save a copy of the Project Statement and photos onto your hard drive in case there are problems with the CD, DVD or USB flash drive)

____ Release Form (***for all companies who are not the primary builder or renovator***)

____ Colour Photo Print (If renovation: include "before" and "after" photos)

____ Floor Plan (*where applicable*)

____ Site Plan (*where applicable*)

____ Brochures (*where applicable*)

____ Price List (*where applicable*)

RELEASE FORM

In the event that the company submitting an entry is **NOT** the primary Builder/Developer/Renovator, authorization must be obtained from that primary Builder/Developer/Renovator, as follows:

_____ has my approval to enter

_____ (project) in the 2019 CARE Awards of Vancouver Island.

Name _____

Company _____

Signature _____

Title _____

Date _____

A VRBA Builder/Renovator member must be primary entrant for categories 1-12; 16-19; 30-31; 33; 39*; 42-44. *For residential projects only.

A NOTE ABOUT BUILDER LICENSING: Every new construction project or building envelope entry must include the **Builder License number** of the project's builder, developer or building envelope renovator on the Entry Form. **This builder must be a VRBA member.** Builder License numbers are issued by the Licensing and Consumer Services Branch, BC Housing.

JUDGING

Each entry will be judged by a panel of judges, selected for their expertise. **The decision of the Judges shall be final and binding.** All judges will be from outside Vancouver Island, with the exception of Category 45 - Lifetime Achievement Award, where ballots or a special judging committee may determine the award recipient.

The judging will be performed strictly on the basis of the entry requirements and criteria submitted.

NO SITE VISITS WILL BE MADE

No others, including the members of the CARE Awards Committee, will be allowed to observe the judging of entries. Results of the judging process are entirely confidential, released only at the time of the event.

The Victoria Residential Builders Association reserves the right to:

- cancel, combine or split any category
- not award in a particular category if the entries submitted do not meet the criteria, or are not of a sufficient standard to recognize excellence

FINALISTS NOTIFICATION

Award finalists will be notified in late July 2019.

PRINT MEDIA

The Times Colonist, publishing the official CARE Awards supplement, is the only print partner approved by VRBA. Please support this publication. Promotional information will be sent to all finalists.

IMPORTANT NOTICE

PLEASE NOTE: It is important to the integrity of the residential construction industry that all entrants and participants conduct themselves in such a way as to demonstrate good business practices.

VRBA may disqualify entries at its discretion. CARE Awards entrants and participants are required to accept all decisions by Victoria Residential Builders Association as final and binding.

ENTRY DEADLINE

All completed entries, including fees, must be received no later than

4:00 pm Monday, June 17, 2019

Send or deliver entries to:
Victoria Residential Builders Association
#1 - 3690 Carey Road, Victoria, BC V8Z 4C2

THERE WILL BE NO EXTENSIONS

2019 CARE Awards of Vancouver Island Criteria

1. Best New Single Family Detached Custom Home under 2,500 sq. ft.

The total area of the new home must be less than 2,500 sq. ft. and the cost of construction, excluding land, must be under \$1,000,000. Substantial renovations do not qualify. **Note: all homes with a cost of construction over \$1,000,000 must enter category 6 or 7 only.**

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" or 7" x 10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

2. Best New Single Family Detached Custom Home over 2,500 sq. ft.

The total area of the new home must be more than 2,500 sq. ft. and the cost of construction, excluding land, must be under \$1,000,000. Substantial renovations do not qualify. **Note: all homes with a cost of construction over \$1,000,000 must enter category 6 or 7 only.**

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with 6 digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" or 7" x 10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

3. Best Entry-Level Market Home

For entry-level market, single detached homes not supported in any way by government or non-profit subsidies or grants. Entries in this category cannot be entered in Custom Home categories 1 & 2 or in Spec Home categories 4 & 5.

Criteria

Judges will award points for:

- Affordability
- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, energy efficiency)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
 - a) Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
 - b) Include sale price (or list price if not sold) and date of sale.
3. CD, DVD or USB flash drive with 6 digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" or 7" x 10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

4. Best New Single Family Detached Spec Home under 2,500 sq. ft.

The total area of the new home must be less than 2,500 sq. ft. and the cost of construction, excluding land, must be under \$1,000,000. Substantial renovations do not qualify. **Note: all homes with a cost of construction over \$1,000,000 must enter category 6 or 7 only.**

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

5. Best New Single Family Detached Spec Home over 2,500 sq. ft.

The total area of the new home must be more than 2,500 sq. ft. and the cost of construction, excluding land, must be under \$1,000,000. Substantial renovations do not qualify. **Note: all homes with a cost of construction over \$1,000,000 must enter category 6 or 7 only.**

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

6. Best New Single Family Detached Home \$1,000,000 - \$2,000,000

The cost of construction, excluding land, regardless of square footage, must be between \$1,000,000 - \$2,000,000. The new homes may be custom or spec. Substantial renovations do not qualify. **Note: all new homes with a cost of construction over \$1,000,000 must enter category 6 or 7 only.**

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

7. Best New Single Family Detached Home over \$2,000,000

The cost of construction, excluding land, regardless of square footage, must be over \$2,000,000. Substantial renovations do not qualify. **Note: all new homes with a cost of construction over \$1,000,000 must enter category 6 or 7 only.**

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the above criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior of four different rooms.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of the exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

8. Best New Subdivision 3-10 units

The subdivision must be single-family detached homes that may include custom and/or spec homes. All homes in the subdivision must be built by VRBA builder-members. Subdivision must contain 3 to 10 units to be eligible for this category.

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Effective use of land

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the above criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing context in urban setting, streetscape, architectural character, building/project entry, etc.;
 - two images showing principal living areas;
 - two images of your choice.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of the streetscape.
6. One copy each of two different simple marketing floor plans on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.
8. Six copies of the brochure and a statement of average purchase price.

9. Best New Subdivision over 10 units

The subdivision must be single-family detached homes that may include custom and/or spec homes. All homes in the subdivision must be built by VRBA builder-members. This subdivision must have more than 10 units to be eligible for this category.

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Effective use of land

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the above criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing context in urban setting, streetscape, architectural character, building/project entry, etc.;
 - two images showing principal living areas;
 - two images of your choice.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of the streetscape.
6. One copy each of two different simple marketing floor plans on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.
8. Six copies of the brochure and a statement of average purchase price.

10. Best New Multi-Family / Townhouse Project

This category includes townhouse projects and multi-family structures with more than one unit (eg. duplex), where each unit has an individual exterior access. This category also includes zero lot line projects.

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Effective use of land

Requirements

1. Completed Entry Form.
2. Project Statement – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing context in urban setting, architectural character, building/project entry, etc.;
 - two images showing principal living areas;
 - two images of your choice.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.
8. Six copies of the brochure and price list with the entry home highlighted.

11. Best New Accessory Building / Garden Suite / Micro-house

This category includes any accessory building (e.g. garage, carriage house, garden suite, etc.)

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, effective use of land, other challenges)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. Project Statement – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing exterior (front and rear);
 - four images showing interior
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8"x10" colour photo print of exterior.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

12. Best Condominium Unit (New or Renovated)

Criteria

Judges will award points for:

- Architectural design and overall appeal
- Floor plan design and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Special attributes (unique features, other challenges overcome)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)

Requirements

1. Completed Entry Form.
2. Project Statement – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images on same CD, DVD or USB, save one hi-resolution (300 dpi) image.
**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After.” i.e. 1B, 1A, 2B, 2A, 3, 4, 5, 6.
4. One 8”x10” colour photo print.
If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
5. One copy of simple marketing floor plan on 8 ½” x 11” plain paper.

13. Best Outdoor Space

Entries include outdoor living areas and/or landscaping, not enclosed. Entries may include enhancements to outdoor space that may not necessarily be covered in other categories such as patios, gazebos, sundecks, front porch areas, outdoor kitchen areas, etc. Entries may include garden areas not part of the structure.

Criteria

Judges will award points for:

- Functionality (i.e. seasonal use)
- Aesthetics and curb appeal
- Integration of landscape and hardscape
- Creativity of design and integration to overall setting
- Use of materials (i.e. natural; cost-effectiveness; unique)
- Special Attributes
- Garden or recreational enhancements
- Water conservation; recycling, and other environmental considerations

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images of the space.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" or 7" x 10" colour photo print.
6. One copy of site plan, with the outdoor space highlighted, on 8 ½" x 11" plain paper.
7. Release form (if not primary builder/renovator).

14. Best New Home Design

Eligible entries are designs of new homes that have been built.

See also Special Interest Awards for Best Home Design - Concept for homes designed but not built.

Criteria

Judges will award points for:

- Architectural features, integrity and overall appeal
- Creativity
- Use of space
- Proportion
- Site integration
- Environmental features

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images of the space (not renderings).
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. on same CD, DVD or USB flash drive, save electronic copies of floor plans, site plan, elevations.
6. One 8"x10" colour photo print.
7. One copy of the simple marketing floor plan on 8 ½" x 11" plain paper.
8. One copy of site plan on 8 ½" x 11" plain paper.
9. One copy of elevations on 8 ½" x 11" plain paper.

15. Best Innovative Feature (Exterior or Interior)

This award is for a unique creative feature incorporated into a project.

Criteria

Judges will award points for:

- Inspiration
- Creativity
- Design
- Relevance to project theme
- Overall appeal

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. on same CD, DVD or USB flash drive, save electronic copies of floor plan or site plan.
6. One 8"x10" colour photo print.
7. One copy of the simple marketing floor plan on 8 ½" x 11" plain paper indicating location of feature (interior feature only) or:
8. One copy of site plan on 8 ½" x 11" plain paper (exterior feature only).
9. Release form (if not primary builder/renovator).

16. Best Small Budget Renovation

The total cost of the renovation, including all contractor and owner supplied materials and labour, must be less than \$100,000. This category applies to single family and multi-family. Renovation must include a minimum of two principal rooms. Only members classified as builder /renovator may enter renovation categories.

Criteria

Entry should explain the clients' needs. Judges will award points for:

- Architectural design and overall appeal
- Interior design
- Functionality of floor plan and creative use of space
- Overcoming special problems as they relate to existing structure
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Energy upgrades
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the renovation and how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with eight digital images, including two “before” images. Images must be clearly named and numbered “Before” and “After”.
Images named 1B, 1A, 2B, 2A, 3, 4, 5, 6.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) "after" image
5. One 5" x 7" (before) **and** one 8" x 10" (after) colour photo print, from the same angle.
6. One copy of the before and after simple marketing floor plans on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

17. Best Residential Renovation or Restoration \$100,000 - \$200,000

The total cost of the renovation, including all contractor and owner-supplied materials and labour, must be between \$100,000 and \$200,000. This category applies to single family and multi-family. Renovation must include a minimum of two principal rooms. Only members classified as builder /renovator may enter renovation categories.

Criteria

Entry should explain the clients' needs. Judges will award points for:

- Architectural design and overall appeal
- Interior design
- Functionality of floor plan and creative use of space
- Overcoming special problems as they relate to existing structure
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Energy upgrades
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the renovation and how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with eight digital images, including two “before” images. Images must be clearly named and numbered “Before” and “After”.
Images named 1B, 1A, 2B, 2A, 3, 4, 5, 6.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) "after" image
5. One 5" x 7" (before) **and** one 8" x 10" (after) colour photo print, from the same angle.
6. One copy of the before and after simple marketing floor plans on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

18. Best Residential Renovation or Restoration \$200,000 - \$500,000

The total cost of the renovation, including all contractor and owner supplied materials and labour, must be between \$200,000 and \$500,000. This category applies to single family and multi-family. Renovation must include a minimum of two principal rooms. Only members classified as builder /renovator may enter renovation categories.

Criteria

Entry should explain the clients' needs. Judges will award points for:

- Architectural design and overall appeal
- Interior design
- Functionality of floor plan and creative use of space
- Overcoming special problems as they relate to existing structure
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Energy upgrades
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the renovation and how it meets the above criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with eight digital images, including two “before” images. Images must be clearly named and numbered “Before” and “After.”
Images named 1B, 1A, 2B, 2A, 3, 4, 5, 6.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) "after" image
5. One 5" x 7" (before) **and** one 8" x 10" (after) colour photo print, of the same area.
6. One copy of the before and after floor plans on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

19. Best Residential Renovation or Restoration over \$500,000

The total cost of the renovation, including all contractor and owner supplied materials and labour, must be over \$500,000. This category applies to single family and multi-family. Renovation must include a minimum of two principal rooms. Only members classified as builder /renovator may enter renovation categories.

Criteria

Entry should explain the clients' needs. Judges will award points for:

- Architectural design and overall appeal
- Interior design
- Functionality of floor plan and creative use of space
- Overcoming special problems as they relate to existing structure
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Energy upgrades
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the renovation and how it meets the above criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with eight digital images, including two “before” images. Images must be clearly named and numbered “Before” and “After”.
Images named 1B, 1A, 2B, 2A, 3, 4, 5, 6.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) "after" image
5. One 5" x 7" (before) **and** one 8" x 10" (after) colour photo print, from the same angle.
6. One copy of the before and after simple marketing floor plans on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

20. Best Traditional Kitchen (New or Renovated) under 250 sq. ft.

The kitchen size is defined as strictly the functional area of the kitchen.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **kitchen** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - one image showing integration of kitchen with great/dining room;
 - five images of your choice.

**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.

If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of kitchen layout on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

21. Best Traditional Kitchen (New or Renovated) over 250 sq. ft.

The kitchen size is defined as strictly the functional area of the kitchen.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **kitchen** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - one image showing integration of kitchen with great/dining room;
 - five images of your choice.

**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.

If renovation: One 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of kitchen layout on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

22. Best Contemporary Kitchen (New or Renovated) under 250 sq. ft.

The kitchen size is defined as strictly the functional area of the kitchen.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **kitchen** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - one image showing integration of kitchen with great/dining room;
 - five images of your choice.

**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.

If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of kitchen layout on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

23. Best Contemporary Kitchen (New or Renovated) over 250 sq. ft.

The kitchen size is defined as strictly the functional area of the kitchen.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **kitchen** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - one image showing integration of kitchen with great/dining room;
 - five images of your choice.

**If a renovation, two extra “Before” images may be included, for a total of eight images.
Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.

If renovation: One 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of kitchen layout on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

24. Best Traditional Bathroom (New or Renovated)

Eligible entries include custom, spec or renovation of a residential project. The same bathroom may not be entered in both this category, and the Best Master Suite category along with the bedroom.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **bathroom** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images.
**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.
If renovation: One 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of bathroom layout on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

25. Best Contemporary Bathroom (New or Renovated)

Eligible entries include custom, spec or renovation of a residential project. The same bathroom may not be entered in both this category, and the Best Master Suite category along with the bedroom.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **bathroom** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images.
**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.
If renovation: One 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of bathroom layout on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

26. Best Master Suite (New or Renovated)

Eligible entries include custom, spec or renovation of a residential project. The Master Suite includes the Master Bedroom and en-suite. The en-suite can only be entered in one category, either Best Bathroom on its own, or Best Master Suite with the bedroom.

Criteria

Judges will award points for:

- Design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Concept; furnishings and accessories; window and wall treatments
- Atmosphere and ambience
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction for the **master suite** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images.
 - one image of bedroom;
 - one image of ensuite;
 - four images of your choice;
4. **If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
5. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
6. One 8” x 10” colour photo print.
If renovation: One 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
7. One copy of Master Suite layout on 8 ½” x 11” plain paper.
8. Release form (if not primary builder/renovator).

27. Best Media Room

Criteria

Judges will award points for:

- Architectural design and overall appeal
- Functionality of floor plan, creative use of space, and seating site lines
- Audio-Visual / Entertainment components
- Integration of components as a system, ease of use
- Atmosphere and ambience
- Room controls (lighting, HVAC)
- Special attributes

The cost per square foot of construction for the **media room** must be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images.
**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.
If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print, of the same area from the same angle.
6. One copy of floor plan indicating furniture placement and usage of space on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

28. Best Interior - Residential (New or Renovated)

Eligible entries include custom, spec or renovation of a residential project.

Criteria

Judges will award points for:

- Architectural design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Concept; furnishings and accessories; window and wall treatments
- Atmosphere and ambience
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images.
**If a renovation, two extra “Before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.
If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print, from the same angle.
6. One copy of floor plan indicating furniture placement and usage of space on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

29. Best Custom Millwork

Eligible entries include feature staircases, window detail, ceiling detail, etc. in either residential or commercial projects.

Criteria

Judges will award points for:

- Architectural Design and overall appeal
- Unusual solutions to challenges
- Quality of workmanship and attention to detail
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images of feature.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" colour photo print.
6. One copy of floor plan indicating placement of millwork on 8 ½" x 11" plain paper.
7. Release form (if not primary builder/renovator).

30. Best Commercial Project (New or Renovated)

Criteria

Judges will award points for:

- Architectural design and overall appeal
- Building envelope solutions and/or restoration
- Functionality of floor plan and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Accessibility (interior) and access/egress (exterior)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include any Energy Efficiency Ratings if applicable.
3. CD, DVD or USB flash drive with eight digital images, including two “before” images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.
If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print from the same angle.
6. One copy of simple marketing floor plan on 8 ½” x 11” plain paper.
7. One copy of site plan on 8 ½” x 11” plain paper.

31. Best Assisted Living Project

Criteria

Judges will award points for:

- Architectural design and overall appeal
- Building envelope solutions and/or restoration
- Functionality of floor plan and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Accessibility (interior) and access/egress (exterior)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes
- Common areas and amenities
- Support services available for residents

The cost per square foot of construction, excluding land cost, **must** be identified on entry form.

Requirements

1. Completed Entry Form.
2. Project Statement – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include any Energy Efficiency Ratings if applicable.
3. CD, DVD or USB flash drive with six digital images.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" colour photo print.
6. One copy of simple marketing floor plan on 8 ½" x 11" plain paper.
7. One copy of site plan on 8 ½" x 11" plain paper.

32. Best Interior - Commercial (New or Renovated)

Eligible entries include custom, spec or renovation of a commercial project.

Criteria

Judges will award points for:

- Architectural design and overall appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Concept; furnishings and accessories; window and wall treatments
- Accessibility
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The cost per square foot of construction **must** be identified on entry form.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include any Energy Efficiency Ratings if applicable.
3. CD, DVD or USB flash drive with six digital images.
**If a renovation, two extra “Before” images may be included, for a total of eight images.
Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print.
If renovation: One 5” x 7” (before) **and one 8” x 10” (after) colour photo print.
6. One copy of floor plan indicating furniture placement and use of space on 8 ½” x 11” plain paper.
7. Release form (if not primary builder/renovator).

33. Best Condominium or Mixed-Use Development

The condominium project may or may not contain a mixed-use component.

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Building envelope solutions and/or restoration
- Functionality of floor plan and creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Accessibility and access / egress
- Common areas and amenities
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

The average cost per square foot of construction, excluding land cost, **must** be identified on entry form. Also include a statement of average rent/purchase price.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing context in urban setting, architectural character, building/project entry, etc.;
 - two images showing principal living areas;
 - two images of your choice.

**If a renovation, two extra “before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8” x 10” colour photo print of the exterior.

If renovation: one 5” x 7” (before) **and one 8” x 10” (after) colour photo print.
6. One copy of simple marketing floor plan on 8 ½” x 11” plain paper.
7. One copy of site plan on 8 ½” x 11” plain paper.
8. Six copies of the brochure and price list with the entry home highlighted.

34. Customer Service - Builder / Renovator

Please note: If you entered this category last year, all new photos and writeup are required.

Criteria

Judges will award points for:

- Company's customer service strategy
- Staff training
- Budgeting for after sales service
- Handling concerns and complaints
- Strategies during construction to eliminate call-backs or defects
- Length of time it has been implemented

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe your strategy and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with three to six digital images:
 - one image with company logo or name;
 - up to five images demonstrating superior service or outstanding workmanship.
 - people ok in these images
4. One 8" x 10" colour photo print.
5. Three client references for service provided within the last 24 months. References could comment on such issues as product satisfaction, closing procedures, walkthrough, post-occupancy responsiveness, etc.
6. A statement that documents the entrant's commitment to excellence, through programs such as Total Quality Management and/or a formal Customer Service Policy.

Optional: One copy of Customer Service Handbook.

35. Best Sales Centre or Show Home/Suite

Criteria

Judges will award points for:

- Design and overall appeal of sales centre
- Ability to characterize the lifestyle of the target market
- Ability to communicate information to the prospective buyers
- Creative use of space
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six (suggested) digital images:
 - one image of exterior view of sales centre or show home/suite with entrance;
 - one image of overall interior view;
 - four images of your choice;
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" colour photo print.
6. One copy of the sales centre floor plan on 8 ½" x 11" plain paper.

Criteria

Judges will award points for:

- Design and overall appeal of showroom
- Ability to characterize the lifestyle of the target market
- Ability to communicate information to the prospective buyers
- Displays and merchandising
- Creative use of space
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images
 - one image of exterior view of showroom with entrance;
 - one image of overall interior view;
 - four images of your choice;
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 8" x 10" colour photo print.
6. One copy of the showroom floor plan on 8 ½" x 11" plain paper.

37. Best Website

Website must be designed for VRBA member or member project. Only the VRBA member company will be recognized.

Criteria

Judges will award points for:

- Quality of design
- Unique features
- Ease of navigation and obtaining information
- Use of social media (e.g. Facebook, Twitter, blogs, etc.)

**Include the URL address of the site, and an estimated cost to build the site, excluding maintenance.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. URL address
4. One digital image on CD, DVD or USB Flash drive
5. One 8" x 10" colour photo print of the Home Page.
6. Include an estimated cost to build the site, excluding maintenance, and the URL address of the site.

Please note: Judges will visit website.

38. Best Overall Marketing Campaign

Criteria

Judges will award points for:

- Creative marketing
- Defined objectives
- Common theme among advertising materials for a multi-media campaign (e.g. newspaper, radio, magazine, TV, social media, direct mail, website, video, outdoor displays, etc.)

The estimated cost of campaign must be included.

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images representative of the total campaign.
4. One 8" x 10" colour photo print.

Optional:

- One 20" x 30" black mount board displaying copies of newspaper ad(s), magazine ad(s), direct mail, collateral newsletter, etc.
- CD, DVD or USB flash drive recording of radio commercial labelled with project name, company name and category number, with proof of performance
- CD, DVD or USB flash drive of television commercial labelled with project name, company name and category number, with proof of performance
- Printout of website home page

39. Best Heritage Project

This award is given to the builder, developer, designer, or consultant of a project that demonstrates outstanding preservation of architectural design to a Heritage building constructed prior to 1950.

For residential projects, the primary entrant must be a VRBA Builder/Renovator/Developer.

Criteria

Judges will award points for:

- Efforts to rehabilitate and preserve original character elements
- Attention to original materials, forms, spatial configurations
- Seismic upgrades
- Recycling, re-use, or other methods mitigating impact on the historic nature of the structure
- Energy efficiency upgrades

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include any Energy Efficiency Rating if applicable.
3. CD, DVD or USB flash drive with eight digital images of the following:
 - two “before” images of the project
 - six “after” images supporting your heritage efforts.**Images must be clearly named and numbered “Before” and “After”.
4. on same CD, DVD or USB, save one hi-resolution (300 dpi) image
5. One 5” x 7” (before) **and** one 8” x 10” (after) colour photo print from the same angle.
6. One copy of simple marketing floor plan on 8 ½” x 11” plain paper.
7. One copy of site plan on 8 ½” x 11” plain paper.

40. Award for Environmental Achievement

This award is for outstanding consideration to the environment, healthy living and energy efficiency.

Criteria

Judges will award points for:

- Efficient land use
- Energy efficiency
- Recycling and re-use of materials
- Water conservation
- On-site water/sewer separation from the grid
- Alternate energy sources
- Built Green level; R2000; LEED; Energy Star or other recognized certified program
- Protection and/or integration of native flora and fauna

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with six digital images of the following:
 - one image of home(s) within the environment
 - five images supporting your environmental effort(s).
4. One 8" x 10" colour photo print.
5. Copies of pertinent information such as:
 - floor plans, site plan, mitigation plan, landscape plans, engineering plans and specifications, list of conditions imposed on the project by local and provincial regulatory agencies, R2000 or Built Green Certificate, etc. and any other information to support your environmental efforts.

41. Award for Best Trade

This award is given to the trade demonstrating outstanding skill, efficiency, customer service and professionalism.

Criteria

Judges will award points for:

- Education and training (e.g. journeyman, continuing education)
- Skill and efficiency
- Customer service
- Professionalism

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe how trade meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with four digital images supporting your efforts, including one staff photo.
4. One 8" x 10" colour photo print.
5. Maximum of three letters of support from clients.

42. Green Builder of the Year – Small Volume

This award recognizes the outstanding contribution of members of the residential construction industry towards the advancement of quality housing through green building practices, building 1 to 5 units per year.

Please note: If you entered this category last year, all new photos and writeup are required.

Criteria

Judges will award points for homes showing:

- Architectural design and overall appeal
- Functionality of floor plan, creative use of space
- Sustainable building practices
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB with up to six digital images. At least one photo must be of exterior of home.
4. One 8" x 10" colour photo print.
5. List of how many homes built and at what level for the time period between January 1, 2018 and June 16, 2019.

43. Green Builder of the Year – Large Volume

This award recognizes the outstanding contribution of members of the residential construction industry towards the advancement of quality housing through green building practices, building 6 or more units per year.

Please note: If you entered this category last year, all new photos and writeup are required.

Criteria

Judges will award points for homes showing:

- Architectural design and overall appeal
- Functionality of floor plan, creative use of space
- Sustainable building practices
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes
- Marketing materials (brochure, CD or DVD)

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energuide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB with up to six digital images. At least two photos must be of exterior of homes.
4. One 8" x 10" colour photo print.
5. List of how many homes built and at what level for the time period between January 1, 2018 and June 16, 2019.
6. Six copies of any applicable marketing materials.

44. CARE Awards Project of the Year

Criteria

Judges will award points for:

- Exterior architectural design and overall appeal
- Interior design and appeal
- Functionality of floor plan, creative use of space
- Quality of workmanship and attention to detail
- Use of materials (i.e. natural, cost-effectiveness, unique)
- Environmental considerations (e.g. energy efficiency, water conservation, recycling, etc.)
- Special attributes

For Multi-Family and / or Commercial projects, also include:

- Common areas / amenities
- Building envelope solutions and/or restoration
- Accessibility and access/egress

Renovations or conversions of existing buildings are eligible.

In addition to being judged by the above criteria, this entry will accumulate additional points for being a finalist/winner in previous categories.

Entrants must submit a separate entry to this category in order to be eligible.

Requirements

1. Completed Entry Form. The cost of construction per square foot, excluding land cost, **must** be identified.
2. **Project Statement** – In 250 words or less, describe the project and explain how it meets the criteria (bullet form is recommended). Include Energy Efficiency Rating (e.g. Built Green level, Energyguide or Energy Star rating, etc.) if applicable.
3. CD, DVD or USB flash drive with six digital images of the following:
 - two images showing context in urban setting, architectural character, building/project entry, etc.;
 - two images showing principal living areas (if applicable);
 - two images of your choice.****If a renovation, two extra “before” images may be included, for a total of eight images. Images must be clearly named and numbered “Before” and “After.”**
4. One hi-resolution image (300 dpi) saved on same CD, DVD or USB flash drive.
5. One 8” x 10” colour photo print of exterior.
****If renovation: one 5” x 7” (before) and one 8” x 10” (after) colour photo print, from the same angle.**
6. One copy of simple marketing floor plan on 8 ½” x 11” plain paper.
****If renovation: include before simple marketing plan.**
7. One copy of site plan on 8 ½” x 11” paper.
8. Six copies of the brochure and price list, if applicable.

45. Lifetime Achievement Award

The prestigious Lifetime Achievement Award is presented to an outstanding member of the Victoria Residential Builders Association in recognition of his/her professionalism, dedication and service to the Association and the residential construction industry.

This award is presented to a member who has demonstrated an outstanding level of commitment to the goals and principles of the Victoria Residential Builders Association. The winner will receive a "CARE Awards Lifetime Achievement" trophy and certificate.

This award will not necessarily be given every year.

I nominate _____
(Nominee)
of _____
(Member Company)

List 3 accomplishments of the nominee:

The following information is for office recording purposes only. Nomination forms without the Member Company name listed below will not be considered. One ballot per member company only please. Nominations are strictly confidential.

Nominator _____

Member Company _____

SPECIAL INTEREST AWARDS

Best Home Design - Concept

Eligible entries for this award are designs of new homes that have not been built. (Criteria on page 56)

“Building Better Futures” Community Award

This award will be given to a Victoria Residential Builders Association member and/or community leader who has gone beyond the industry and its partners, to assist in the community when and where a need has been felt. **Nominations shall be submitted in writing** to the Victoria Residential Builders Association, **no form or fee required for nomination**. This award will not necessarily be given every year.

Bill Wansbrough Memorial Award (Application on page 57)

This award honours the contribution made by Bill Wansbrough to the residential construction industry. It is donated in his memory to recognize significant individual achievements that do not necessarily fit into any of the categories of the CARE Awards. This award will not necessarily be given every year.

Herman Rebneris Student Carpentry Award

At the CARE Awards, VRBA will present a deserving student with a \$500 cheque to buy “the tools of the trade.”

This award is open to students from all Vancouver Island secondary schools with a Carpentry Program. Each school will be sent application forms for students to enter this special competition. In order to be considered, the student must:

- Be registered within the past 12 months in a recognized Carpentry/Woodworking/Career Prep. Program;
- Have a good record of academic achievement;
- Have performed documented school or community service or volunteer work;
- Each application must have a teacher’s comment attached.

Student Design Award

At the CARE Awards, VRBA will present a deserving student with a \$500 cheque to buy design tools and software.

This award is open to students from all Vancouver Island schools with a House Design or Interior Design Program. Each school will be sent application forms for students to enter this special competition. In order to be considered, the student must:

- Be registered within the past 12 months in a recognized House Design or Interior Design Program;
- Have a good record of academic achievement;
- Each application must have a teacher’s comment attached.

Best Apprentice (Criteria on page 58)

VRBA will honour one of its member’s Apprentices demonstrating dedication and commitment to his/her work and the industry. The Best Apprentice will receive a \$500 cheque to buy “the tools of the trade.” This award is open to Apprentices who are currently employed by a VRBA member on Vancouver Island. This award will not necessarily be given every year.

Excellence In Creating Housing Affordability

This award recognizes leadership in addressing housing affordability, including plans or strategies to reduce or streamline the regulatory process; innovative public/private partnerships; initiatives that address growth management and promote high-density housing; innovative solutions that provide additional choice and add quality of life for consumers.

This award is open to all VRBA members on Vancouver Island. **Please submit a letter outlining your achievements**. This award will not necessarily be presented every year.

Eligible entries are designs of new homes that have not been built.

Criteria

Judges will award points for:

- Buildability
- Architectural features, integrity and overall appeal
- Creativity
- Use of space
- Proportion
- Site integration
- Environmental features

Requirements

1. Completed Entry Form.
2. **Project Statement** – In 200 words or less, describe the project and how it meets the criteria (bullet form is recommended).
3. CD, DVD or USB flash drive with electronic copies of floor plans, site plan, elevations.
4. One 8" x 10" colour photo print of rendering.
5. One copy of the floor plan on 8 ½" x 11" plain paper.
6. One copy of site plan on 8 ½" x 11" plain paper.
7. One copy of elevations on 8 ½" x 11" plain paper.

VRBA is proud to present the “Best Apprentice Award”. This award has been developed to recognize the talents and dedication of apprentices throughout Vancouver Island.

At this year's event, we will present a deserving Apprentice with a \$500 cheque to purchase “tools of the trade.”

Deadline: An application letter outlining the following criteria must be received at the VRBA office by **4:00 pm, Monday, June 17, 2019.**

Criteria and Requirements

- Presently working as an apprentice for a VRBA builder, renovator or trade – name the employer
- Include letter of support from a VRBA builder, renovator or trade describing how the apprentice has achieved good performance in the following areas: work ethic, attitude, reliability, and skill. Also indicate project(s) on which the apprentice has worked.
- Provide academic information such as: apprenticeship year, academic marks, instructor comments, etc.
- Provide a CD, DVD or USB flash drive with two or three digital images of the applicant.
- There is no entry fee for this category.

2019 CARE AWARDS of VANCOUVER ISLAND

The Victoria Residential Builders Association extends an invitation to enter our prestigious building industry awards competition. Complete guidelines and forms are on-line at www.vrba.ca. Call the VRBA office at 250.383.5044 if you have any questions about your entry. Please complete one Entry Form for each entry.

ENTRY FORM

Category: _____

Company Name(s): _____ Contact: _____

***All CARE Awards material will display the entrant's company name exactly as indicated above.
